

MOBILE VETERINARY CLINIC & TRUCK TRAINING PROGRAM

DECEMBER 2018

Duration: 06th December to 22nd December 2018 (22 days)

Location: St Anne Church, Curca-Bambolim-Talaulim Panchayat (Tiswadi, Goa)

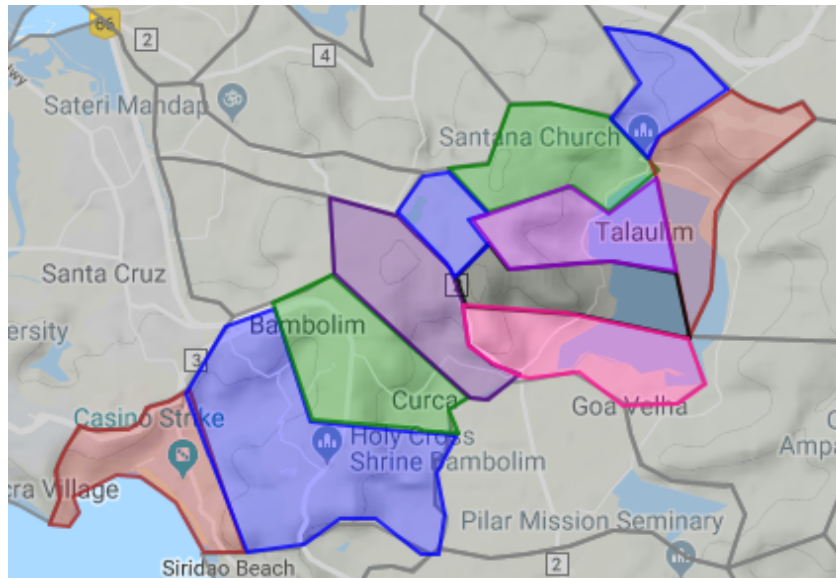

Purpose: Outreach, Community Service ABC Program – Govt of Goa Grant in Aid

Visitors: 2 Indian Vets, 4 International Vets and 1 Indian Vet Volunteer

Summary:

The team operated a total of 285 dogs in 14 days. Dogs from the Goa Medical College, Army Base Camp, Food and Drug Administration Campus and the 11 wards in the Village panchayat of Curca – Bambolim and Talaulim were captured during the program for sterilization. Owned dogs were also given appointments for sterilization. Seven dogs were found with injuries/ disease conditions that required treatment at the WVS Hicks ITC. These included 4 TVT cases, 2 wounds and one mange dog.
